About Us!

Kitchens Station was founded in Al Khobar, Saudi Arabia, as the next chapter of Espresso Station, an inspiring journey that began in 2020 during the pandemic. From a simple home-based idea, it had rapidly evolved into a powerhouse of innovation, now ranked among the top names for professional kitchen solutions in the Kingdom.

Today, we're one of the trusted choices of leading sectors, strengthened by their collaboration with global leaders in commercial kitchen equipment trusted by the biggest brands in foodservice.

Kitchens Station delivers far more than products. We create complete, immersive solutions. Beyond supplying state-of-the-art commercial kitchen equipment and spare parts, we provide expert after-sales support and customized maintenance programs. We also conduct live cooking demonstrations, led by accomplished top professionals from leading brands, let customers experience firsthand how each machine performs, showcasing the latest innovations in action. This hands-on approach ensures unmatched reliability, efficiency, and performance. Every project is executed with precision, every client is treated as a true partner, and every solution is crafted to exceed expectations.

To sharpen this edge, Kitchens Station have partnered with one of the world's most advanced ERP systems, integrating every aspect of our business, from human resource & supply chain, logistics, finance, project management and sales. This investment ensures their operations are seamless, transparent, and built around delivering excellence at every touchpoint.

Professionalism is instilled in our personnel at every level and is evident in every aspect of our work and in the results we have achieved. With a client base that is the who's who of the Saudi's food service and hospitality industry, Kitchens Station is striving to be the forerunner in its competitive segment, providing the best value for the client.

WELCOME MESSAGE

"Kitchens Station is a premier brand dedicated to enhancing Saudi Arabia's food and beverage sector. Following the success of Espresso Station, we offer a wide range of high-quality products designed for hotels, restaurants, bakeries, coffee shops, and central kitchens. Aligned with Saudi Vision 2030, Kitchens Station supports the tourism industry by delivering tailored solutions to elevate business standards and customer experiences."

Waleed F. Al Khaldi

PREMIUM SERVICES

At Kitchens Station, we are dedicated to delivering premium and innovative kitchen solutions tailored to the needs of both professional chefs and passionate home cooking enthusiasts. Our extensive product portfolio includes high-performance equipment, precision engineered utensils, and modern kitchen accessories, all designed to maximize efficiency, boost productivity, and elevate every cooking experience.

PREMIUM SERVICES

But we believe that true value goes beyond supplying world-class equipment. That's why we provide comprehensive after-sales support and preventive maintenance services to ensure that every investment our clients make continues to perform at its best. From professional installation and routine maintenance to fast, dependable repairs, our expert team is committed to keeping your kitchen running seamlessly

PREMIUM SERVICES

We also understand the importance of reliability and responsiveness. Our dedicated client support team is always available to address inquiries and resolve issues quickly, ensuring peace of mind and uninterrupted operations. To further enhance our service, we partner with trusted shipping providers—guaranteeing that wherever our customers are, their orders are delivered safely, efficiently, and on time.

PREMIUM SERVICES

In addition, Kitchens Station offers customers the opportunity to explore our state-of-the-art showroom, where we regularly host exhibitions and live presentations of our premium equipment. These events are designed to give clients a closer look at the performance, durability, and versatility of our solutions in real kitchen settings. By experiencing the equipment firsthand, customers gain the confidence to choose the right tools for their business—backed by expert guidance from our team and industry professionals who are on hand to answer questions and share insights.

PREMIUM SERVICES

Whether in Saudi Arabia or anywhere outside the Gulf, we remain at our clients' side—providing responsive support, reliable delivery, and solutions tailored to their needs. With Kitchens Station, clients gain more than equipment; they gain a long-term partner committed to ensuring their kitchens operate at peak performance every single day.

PROJECT MANAGEMENT

Kitchen & Laundry Equipment Project Management Capabilities

Kitchens Station is equipped to manage kitchen and laundry equipment projects of all sizes, from QSR's and boutique restaurants to large-scale hotels, resorts, and institutional complexes.

While Kitchens Station is a fast-growing company, our technical strength comes from a team of experienced professionals who have delivered scores of large commercial kitchens and laundries across the KSA and UAE for leading international operators.

Our Project Management Office (PMO) integrates design, engineering, procurement, logistics, installation and training under a unified system to deliver on-time, high-quality projects.

Our Project Delivery Approach

1. Equipment sizing and selection
2. Design coordination
3. Engineering and MEP coordination
4. Procurement and logistics management
5. Installation, testing & commissioning
6. Operator training
7. Post-startup support
8. Preventive maintenance and AMC support

Every phase is managed with precision and transparency to ensure consistent and timely results.

Quality Assurance & HSE Commitment

Quality and safety in all aspects are at the core of every Kitchens Station project.

Our work complies with international standards and best practices along with compliance with local authority regulations.

Our teams are trained to maintain strict HSE procedures on all sites, ensuring safe, reliable, and compliant project execution.

ASSURED WARRANTY

All our products come with a trusted warranty, ensuring clients enjoy full confidence in their investment. Within the warranty terms, we provide free repairs or replacements, keeping operations smooth and uninterrupted.

At Kitchens Station, we deliver more than products. We offer a complete service experience, combining high-quality equipment with tailored support to meet every client's unique needs with professionalism and care.

DEAR CLIENTS

Kitchens Station specializes in managing commercial kitchen projects of all scales. We collaborate with a wide range of clients across the food and hospitality industry, delivering tailored solutions that meet diverse operational needs. From compact kitchens to large-scale facilities, we provide durable, high-quality equipment that boosts efficiency, ensures consistent output, and upholds the highest standards. Our portfolio spans numerous kitchen projects across the region, reflecting the breadth and diversity of our expertise.
